

Bible Study Thoughts 8/16/17

Jesus is not content that we just get revelation and sit with it.

God is the God of the mountains and the valley and shows up anywhere we need Him to show up.

Mountaintop experiences are temporary and rare.

Peter wanted to stay on the mountaintop with Moses, Elijah and Jesus.

God spoke and directed the attention to Jesus. He is all that matters.

We cannot bring foolishness to God. God doesn't need our foolishness, He needs our attention.

We don't always have to open our mouths.

All three were on the mountaintop, but God said to hear Him... Jesus.

They had the law and the prophets, but God yet pointed them to Jesus.

Our blessings should always go back to the One who gave them to us.

We cannot stay on mountains because people need us.

The mountaintop is for revelation.
