The Boy Who Was Possessed by a Demon

Mark 9:14-37

Visibly there is something about a person who spends quality time with God.

Jesus will take up for us.

God looks at us and says, "What's the matter?"

Jesus said all things are possible. It doesn't mean you can have them. We have to respect the sovereignty of God.

Our belief doesn't supercede God's sovereignty.

Just because we believe doesn't mean it's going to happen.

The disciples failure got put on Jesus. The way we live and the way we act, people will ascribe to God.

Some people look at your failure and they put it on God.

When people start speaking over our lives, we need to say, BUT Jesus. Don't let people put a period, where there should be a comma.

Don't worry about the hierarchy of demons if you're not in your prayer closet.

God doesn't want us praying about our problems, He wants us praying for our promises.

God didn't tell us to talk about our mountains, He told us to talk to them.

Sometimes we don't understand, but we need to ask for the answer.

The disciples didn't ask because they were afraid. Fear will stop you in your tracks.

If you want to be great, you need to serve.
